MEDICAL

Saltchuk offers three medical plans, administered by Premera Blue Cross. Premera is part of the national Blue Cross Blue Shield network.

With each plan, you can see any doctor you like, but you'll pay less when you see a doctor in the Premera network. All three plans cover the same services, but differ in what you pay for coverage (premiums) and how much you pay when you get care (deductibles, copays and coinsurance).

The High Deductible Health Plan (HDHP) has the lowest premium, but the highest deductible. It also comes with a Health Savings Account (HSA), where you can save pre-tax money to pay for health care expenses. Saltchuk will also contribute to your HSA – $875 for employee-only coverage, or $1,750 if you cover one or more dependents. This plan is great for those who don't expect high medical expenses.

ALWAYS GET THE RIGHT PRICE

The Premera Right Price program is a behind-the-scenes solution that automatically applies available discounts and coupons to ensure you get the best price for your prescription. Enroll in any Premera medical plan and you'll always get the Right Price.

The Base PPO is a middle-ground plan. It has a lower deductible than the HDHP option, but a higher premium. However, it has a higher deductible and lower premium than the Buy-up PPO.

The Buy-up PPO has the lowest deductible, but the highest premium. This option might be right for you if you expect to have significant medical expenses, such as for an ongoing condition, or if you are expecting a child this year.

CATCH PROBLEMS BEFORE THEY START

Preventive care is 100% covered on all Premera medical plans. This means you pay nothing for preventive tests, screenings and services such as:

- Annual health check-ups (including well-woman and well-baby exams)
- Lab tests for diabetes, cholesterol, hypertension and more
- Cancer screenings, such as mammograms and colonoscopies
- Vaccinations
- Wellness services for smoking cessation, weight loss, depression screening and more

For a complete listing of preventive care services, go to **premera.com/visitor/care-essentials/preventive-care**.

Additionally, many **preventive medications** are also covered at 100%, including medications to treat:

- High cholesterol
- Asthma

- And more

DENTAL

Whenever you need dental care, you have a choice of providers:

- **Delta Dental PPO dentist:** Highest coverage, most discounted – you pay the least.
- **Delta Dental Premier dentist:** Like seeing a PPO dentist, but with slightly lower coverage – you pay a bit more of the cost.
- **Out-of-network dentists:** Same coverage as a Premier dentist but without cost protection. If charges are higher than the maximum allowed, you're responsible for the additional cost.

The table below compares the plans and shows what you'll pay for services under each.

Dental plan highlights	Base Plan	Buy-up Plan

WELLNESS DISCOUNT

The medical premiums shown above include Saltchuk's wellness discount, which saves you $100 every month on your medical premiums. New hires automatically receive the wellness discount in the year they are hired.

To earn the wellness discount each year, both you and your covered spouse or domestic partner need to get your annual preventive exam. Premera will be notified when you complete your exam with Catapult or with your own provider through the Premera plan.

Results are kept strictly confidential and not shared with Saltchuk.

Get your annual preventive exam by November 30. You can get an exam with your own provider or virtually through Catapult Health. Order your free check-up kit at virtualcheckup.com/saltchuk.

Whether you get an exam with your provider or through Catapult, Premera will be notified when you complete the requirements.

Your exam results are never shared with Saltchuk.

HEALTH SAVINGS ACCOUNT

If you enroll in the High Deductible Health Plan (HDHP), you may be eligible for a Health Savings Account (HSA). An HSA lets you save for health care expenses while reducing your taxes. An HSA has triple tax benefits:

1. Contributions go in tax-free.
2. Money grows tax-free.
3. Withdrawals for qualified health care expenses are tax-free.

Use your HSA to cover your and your tax dependents' out-of-pocket health care expenses. At the end of the year, if there's money left in the account, it's yours. Your HSA balance can be used for health care costs you incur over your lifetime, and unused amounts can be passed on to your beneficiaries.

SALTCHUK'S HSA CONTRIBUTIONS

If you open a Fidelity HSA, Saltchuk will contribute to your account:

- $875 if you cover just yourself
- $1,750 if you cover one or more dependents

If you enroll mid-year, Saltchuk's contributions will be prorated.

YOUR CONTRIBUTIONS

You can also contribute to your HSA from your paycheck, up to IRS maximums. In 2026 the total of what you and Saltchuk can put into your HSA is $4,400 for individual coverage or $8,750 if you cover dependents.

If you are age 55 or older, you can contribute an additional catch-up contribution of $1,000 per year.

ELIGIBILITY

Only those enrolled in the HDHP can contribute to an HSA or receive Saltchuk's HSA contributions. You and Saltchuk cannot contribute to an HSA if you're enrolled in certain government medical plans, such as Medicare or Tricare, or if you're covered by any other non-high-deductible health plan, including a health care FSA.

You can have a limited-purpose health care FSA. If you are unsure if you are eligible to contribute to an HSA, consult a tax professional.

You'll need to open your account with Fidelity to receive Saltchuk's contributions and to make your own contributions. Go to 401k.com to set up your account and name a beneficiary. You can also activate your HSA debit card, which you can use to pay your share of costs straight from your account.

FLEXIBLE SPENDING ACCOUNTS

Flexible Spending Accounts (FSAs) are a way to save tax-free dollars for health care expenses and for child- or elder-care costs. Saltchuk offers three different accounts, along with a Commuter Benefit so you can use tax-free dollars for your parking costs.

HEALTH CARE FSA

You can enroll in a Health Care FSA unless you are contributing to an HSA. Contribute up to $3,400. Use your FSA to pay for your and your tax dependents' out-of-pocket medical, dental and vision expenses, including deductibles, copays and coinsurance amounts.

LIMITED-PURPOSE HEALTH CARE FSA

If you enroll in the HDHP and open an HSA, you can only contribute to a Limited-Purpose Health Care FSA. You can use this account to pay for out-of-pocket dental and vision expenses. Contribute up to $3,400. Consider contributing to your HSA before electing this plan, as an HSA is more flexible.

DEPENDENT CARE FSA

Use a Dependent Care FSA to pay for your eligible child- or elder-care expenses. Contribute up to $7,500 per year ($3,750 if married but filing taxes separately).

COMMUTER BENEFIT

Use the Commuter Benefit to pay for parking expenses associated with your daily commute. If you pay to park your car at work, close to work, or at a park and ride station, you can pay for these expenses with pre-tax dollars. Contribute up to the annual IRS limit of $340 per month.

navia benefit solutions

Saltchuk's FSAs and Commuter Benefit are administered by Navia. To file a claim or manage your account, go to **naviabenefits.com**. Or download the **MyNavia Benefits** app.

PLAN CAREFULLY

Be careful when figuring how much to contribute. You can't change your contribution during the year unless you have a qualified change in status, such as a marriage, birth, divorce, etc. You cannot transfer funds between the accounts. And the funds you don't use during the year are forfeited.

BASIC LIFE AND AD&D INSURANCE

Saltchuk offers basic life and accidental death and dismemberment (AD&D) insurance through Symetra at no cost to you.

In the event of your death, your basic life insurance coverage pays your beneficiary a benefit of two times your annual base salary, up to a maximum of $750,000.

If you die as a result of an accident, your beneficiary will also receive benefits from basic AD&D insurance, equal to your basic life insurance amount. If you are seriously injured in an accident, you'll receive a portion of the coverage depending on the injury.

Basic life and AD&D insurance age reduction begins at age 65. For additional details, visit **saltchukbenefits.com**.

Choose a beneficiary when you sign up for coverage. Benefits are paid to your designated beneficiary if you die (exclusions apply to certain causes of death). If you haven't named a beneficiary, benefits may not be paid out as you'd like.

DISABILITY COVERAGE

Saltchuk provides you with short- and long-term disability coverage. If you suffer an illness or injury that keeps you away from work, disability coverage will replace a portion of your income while you are away.

Short-term disability may apply for an employee's serious health condition. Please contact Human Resources to learn what Saltchuk has to offer.

If your disability is planned, please contact Human Resources in advance. If unplanned, begin the process as quickly as possible.

Long-term disability begins if you are unable to work for more than 180 days. Long-term disability provides 60% of your usual monthly earnings (up to $10,000 a month).

You are eligible for payment as long as you are disabled, up to your Social Security normal retirement age. The maximum duration of payments varies depending on your age when the disability begins. For additional details, visit **saltchukbenefits.com**.

To file a claim for long-term disability benefits, contact our disability administrator Symetra by going to **symetra.com/myGO** or by calling **877-377-6773**. You'll need contact information for yourself and your doctor, your Social Security number, and the group policy number: **01-016857-00**.

Enroll at **GallaghervChoiceEnroll.com**. Depending on the level of coverage you elect, you and/or your spouse may need to provide proof of good health.

ACCIDENT INSURANCE

Nobody plans to have an accident – and most people don't budget for one either. Accident insurance helps you pay for out-of-pocket expenses that medical insurance won't cover.

If you or a covered family member is injured in a covered accident, you'll receive benefits based on the accident and treatment. For more information on cost and coverage or to enroll, visit **GallaghervChoiceEnroll.com**.

CRITICAL ILLNESS INSURANCE

Medical insurance alone can't stop a major diagnosis from draining your finances. Copays, deductibles, alternative treatments – these unexpected expenses can add up quickly. Critical illness insurance provides an affordable option for easing the financial burden that can come with a serious illness. This coverage is offered through Standard Insurance Company.

Critical illness insurance will pay a lump sum upon diagnosis of a covered critical illness. You may elect $15,000 worth of coverage for yourself, as well as cover your spouse or domestic partner for the same amount. Children are automatically covered at $3,750 at no extra cost. Certain additional illnesses are covered at 25% of the total coverage level, and the plan covers certain preventive screenings, up to $50 per year. Learn more at **GallaghervChoiceEnroll.com**.

401(k) PLAN

Saltchuk's 401(k) plan helps you save for your future and get company contributions. All full-time employees are eligible, as well as seasonal and casual employees.

When you enroll, you decide how much you'd like to contribute to your account, as well as how you'd like to invest your contributions. You can make pre-tax, after-tax or Roth contributions.

If you don't enroll, you'll be automatically signed up for a 2% of pay pre-tax contribution rate, with an automatic increase of 1% each year up to a maximum of 15%. You can change your contribution rate at any time.

SALTCHUK CONTRIBUTIONS

The company will match what you contribute dollar for dollar, up to **the first 4% of pay** you contribute to your pre-tax or Roth 401(k) account. So if you want the most free money, contribute at least 4% each payday, and your total savings will equal 8% of pay. After-tax contributions are not eligible for company match.

You own Saltchuk's matching contributions immediately – there is no vesting.

There is also a discretionary company contribution of **3% of your eligible pay** (subject to IRS limits). Discretionary contributions vest at the rate of 20% a year starting with the second year. So you vest 20% after year two and 100% after year six.

IRS LIMITS

Total annual contributions are limited by the IRS to $23,500. If you turn 50 or older in 2026, you can make up to an additional $7,500 in catch-up contributions ($11,250 if you turn 60 through 63). These limits may change in 2026.

To access your account, register with Fidelity Investments at **401k.com** or call **800-835-5095**.
